ACTIVITY

★ Diving

Izu is a world famous diving area with over 30 diving points scattered throughout the region. Take in the interesting terrain produced by volcanic activity or partake in the wreck diving opportunities available in the Izu waters.

★ Fruit Picking

Surrounded by mountains and blessed with vibrant nature, the Izu Peninsula is capable of producing fruits year-round including strawberries, mandarin oranges, blueberries, melons, grapes, and more. Go picking and enjoy the fruits of your labor.
